Excerpts from "The Racing Rules of Sailing"

30 STARTING PENALTIES

30.1 **I** Flag Rule (can be used with Z flag)

If flag I has been displayed, and any part of a boat's hull, crew or equipment is on the course side of the starting line or one of its extensions during the last minute before her starting signal, she shall thereafter sail from the course side across an extension to the prestart side before starting.

30.2 **Z** Flag Rule (can be used with I flag)

If flag Z has been displayed, no part of a boat's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall receive, without a hearing, a 20% Scoring Penalty calculated as stated in rule 44.3(c). She shall be penalized even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting signal. If she is similarly identified during a subsequent attempt to start the same race, she shall receive an additional 20% Scoring Penalty.

I Flag over the **Z** Flag

In the event that the fleet continues to force general recalls, the PRO may fly both the I flag and the Z flag concurrently to maximize the severity of being OCS. The penalties of both flags are in force. Mechanically, the I flag is on top with the Z flag attached to the bottom of the I flag using a zip tie.

WARNING - USE IN EXTREME CIRCUMSTANCES ONLY

30.3 **Black Flag Rule** (use alone)

If a black flag has been displayed, no part of a boat's hull, crew or equipment shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is postponed or abandoned before the starting.

RACER WILL BE DISQUALIFIED [DSQ]
